

# Healthy Summer Snacks

## SIETE GRAIN-FREE TORTILLAS

Is innovating in the often "stale" tortilla category with its Almond Flour and Coconut & Cassava Tortillas, both of which follow the latest food trends and are paleo, gluten-free, dairy-free, preservative-free, and yet extremely tasty. Ideal for cooking or snacking, the tortillas taste, fold, and hold like a tortilla should.

MICRO-PANCAKERY

Is a line of gourmet and easy-to-make pancake and waffle mixes. This taste- and quality-obsessed brand offers nine varieties including Classic, Chocolate Chip, Six Grain Cinnamon, Paleo, Gluten-Free, Protein, Pumpkin Spice, Gingerbread Spice, and Double Chocolate Peppermint. All of the varieties are organic, trans fat-free, and non-GMO. These just-add-water pancake and waffle mixes are as quick and easy as they are delicious.

**PIQUE™**  
TEA CRYSTALS

Provides an effortless way to enjoy the pure flavor and unprecedented health benefits of an expertly crafted, perfectly brewed cup of tea – anytime, anywhere – without compromising flavor or nutrients. Free from artificial flavors, preservatives and sugar, Pique Tea Crystals are made from premium, organic whole tea leaves that are hand-selected, brewed to perfection and then crystallized by a renowned tea master. Today, Pique fills a need for health nuts, tea connoisseurs and on-the-go busybodies alike.
